Re: EPA Letter Dated March 31, 2016

Dear Ex. 6 (Personal Privacy) and Ex. 6 (Personal Privacy):

As you know, the U.S. Environmental Protection Agency inspected Prairie Dairy, Inc. on May 29, 2015. During the inspection, EPA identified areas of concern that we conveyed in a letter on March 31, 2016. Based on the information and photos you have provided regarding the actions you took to improve your facility, the EPA believes that you have corrected the areas of concern identified. EPA anticipates no further action on the noncompliance identified and considers the case to be closed. Thank you for your efforts to protect water quality. If you have any questions on this matter, please contact Joan Rogers of my staff at (312) 886-2785.

Sincerely,

Patrick F. Kuefler, Chief
Water Enforcement and Compliance Assurance Branch
